

Dear Field Regina Northrop Residents,

SAVE THE DATE!

Congratulations! Your neighborhood has been chosen to participate in an exciting new residential energy program, One-Stop Community Energy Services. On behalf of the Field Regina Northrop Group and the Center for Energy and Environment, we would like to invite you to participate in this unique one-stop energy program. We would also like to enlist your help in promoting this great opportunity to your neighbors.

Community Energy Services, CES, is an easy, one-stop program designed to help homeowners reduce their energy use and save money in their home. The Field Regina Northrop Group has teamed up with the Center for Energy and Environment, CenterPoint Energy and Xcel Energy to offer Field Regina Northrop homeowners this full-service residential energy program.

CES includes:

- FREE educational workshops to teach homeowners how to save money and energy;
- Customized home energy visits from qualified professionals, including a blower door test and installation of materials. Up to \$400 in services and materials for co-pay of only \$20;
- Materials which may include: low flow showerheads, setback thermostats, compact fluorescent light bulbs, gasket seals, door sweeps, pipe insulation and more to help you save now;
- Personalized energy use inventory for the last 12 months and feedback the next 12 months;
- Information on financing, incentives, stimulus funding and rebates.

There are a variety of ways you can get involved in the Community Energy Services program:

- **Informational/Volunteer Meeting**
Get an exclusive preview of the program, learn about the variety of volunteer opportunities, receive specialized leadership materials and find out how your household can benefit.

Saturday, January 23rd, 10 a.m. – 11:30 a.m.
Field Elementary School (4645 4th Ave.)

Please RSVP to Ashley Robertson at (612)335-5869 or arobertson@mncee.org.

- **Community Energy Services Workshops**

Bring the whole family and invite your friends and neighbors to this easy, one-stop program designed to help you reduce your energy use and save money in your home. Workshops take place at Field Elementary School (4645 4th Ave.). Childcare will be provided.

Wednesday, February 24th, 6:30 - 8:30 p.m.

OR

Saturday, February 27th, 10 a.m. - Noon

Please RSVP to Ashley Robertson at (612)335-5869 or arobertson@mncee.org

More information on this program is available at www.mncee.org. Funding for this project was provided by the Minnesota Environment and Natural Resources Trust Fund as recommended by the Legislative-Citizen Commission on Minnesota Resources (LCCMR).

We know that together we can make this program a success!
