August-September 2007

### Annual FRNNG Parade and McRae Fun Day Enjoyed by All!

**O**n June 2nd FRNNG held its 18th Annual Parade in conjunction with McRae Park's Family Fun Day. Both events were well-attended and provided two great summer get-togethers for the neighborhood. Some highlights of the parade were Major Topps drum corps, Unlimited Next Level Drill, the Minneapolis Fire and Police Departments, the American Legion, and much, much more. Additional fun neighborhood activities were to be had at the Fun Day, which included tasty food, kids' activities, a talent contest, face painting, and more. A big "Thank you!" goes out to all participants in both the Parade and the Family Fun Day – you made the day a great success for our neighborhood. Thanks are also in order for the fabulous volunteer organizers who put together a day to remember: Sully Gilbert, Inez Melton, and Beth Minehart.

*FRNNG Board members Paulette Wilson, Tom Arneson, Stearline Rucker (holding honorary Board Member Versace) and Barbara Harris remind parade-goers what the Parade is all about.*

*'Major Topps Drum Troupe' pauses for a picture before giving a great, energy-filled performance in the FRNNG Parade.*

Thanks also to all the volunteers who helped out the day of the events and to all the staff and volunteers at McRae Park. See you all again next year!

### National Night Out 2007 - August 7th

The 24th Annual National Night Out (NNO) will take place on Tuesday August 7th. On NNO people get together with their neighbors, meet many for the first time, and have a block party to strengthen community and safety on their block. This year's theme is "Join the Movement: Putting 'Neighbors' Back in the Neighborhood." If your block hasn't had a party before, didn't have one last year, or isn't planning one for this year, it's a great time to join the movement to make your block a neighborhood. NNO is coordinated by CCP/SAFE, a unit of the Minneapolis Police Department.

Although you don't have to close your street to have an NNO party, you can get a street-closing application (for a \$100 fee) up until August 2nd. No street-closing applications will be accepted after that date.

#### Attention New NNO Blocks: Free Starter Kits

CCP/SAFE has a limited supply of free NNO start-up kits for blocks holding NNO events for the first time. The kits contain plates, cups, plastic utensils, and napkins for 50 people. If your block is new this year to NNO, call **673-2977**.

## 11th Ward Update

by Council Member  
Scott Benson

To my friends and neighbors in FRN—

Thank you for the opportunity to update you about the happenings at City Hall. I will try to keep my column short but informative. If you have any questions or want to learn about something more in depth, please feel free to e-mail me [scott.benson@ci.minneapolis.mn.us](mailto:scott.benson@ci.minneapolis.mn.us) or call my office at **673-2211**.

For two months this summer into fall, residents living in areas surrounding the Minneapolis-St. Paul International Airport (MSP) will notice a change in where aircraft are flying. The center section of the south parallel runway (Runway 12R/30L) will be reconstructed. From mid-August to mid-October the runway will be shut down and unavailable for landings and takeoffs. Aircraft that typically would have used this runway will be shifted to the remaining three runways. The biggest change will be the use of the north end of the new north/south runway (17/35). Landings and takeoffs on this runway have been virtually non-existent since its opening in October 2005 because of an agreement between the MAC and the City of Minneapolis, prohibiting use of this runway to the north. The MAC will take advantage of a loophole in this agreement which it asserts

allows runway use to the north during such construction projects. The landing path will generally follow a line straight out from the runway. This will place landing aircraft over downtown Minneapolis and neighborhoods north of the airport, generally following Cedar Ave. Landings are more frequent and lower in altitude than departures. However, they are also generally quieter than takeoffs. When in a northwest flow scenario, planes will take off of the north/south runway to the north over Minneapolis. Next summer the center section of the north parallel runway will be reconstructed.

Prior to the start of construction, the MAC will hold an open house with staff available to answer your questions.

Open House  
Monday, July 30  
6:30-8:30 pm  
Nokomis Recreation Center  
2401 E. Minnehaha Pkwy.

For more information, please visit the MAC website at [www.macnoise.com](http://www.macnoise.com). Or call the Noise Complaint and Information Line at **726- 9411**.

Electronic Newsletter

I publish an electronic newsletter to keep you up to date on what is happening at City Hall. If you would like to receive this update, please e-mail me at [scott.benson@ci.minneapolis.mn.us](mailto:scott.benson@ci.minneapolis.mn.us) and put the words "E-mail Update" in the subject line.

## National Night Out *from page 1*

### NNO Website a Great Source of Information - ([www.ci.minneapolis.mn.us/nno](http://www.ci.minneapolis.mn.us/nno))

The Minneapolis NNO web site is a great source of information for people who want to improve their NNO effort or those just learning about NNO. Some features are: 70+ ideas for parties, people's comments about why NNO is important, NNO photos and clip art, party invitations in four languages, lists of registered parties, fun green ideas for blocks, a list of sponsors to support and lots more.

### First Cooperative Food Drive

For the first time, United Way and National Night Out have teamed up to conduct a food drive to replenish stock at local food-shelves. When planning your party, remember to ask people to bring some extra canned foods and dry goods. See the NNO web site for information.

Sponsors: Minnesota Twins, Target, The Park at MOA, Clear Channel Radio, Qwest Communications, PROEX, KFAI Radio and General Mills Foundation.

## Community Carnival at Asbury UMC

All are welcome to Asbury United Methodist Church, 4501 Bloomington Ave., on Wednesday, August 8th at 5:30 pm for the annual Community Carnival. Begin with a free supper and then play the carnival games with inexpensive tickets. Dunk Tank, Moon Bounce, Flip the Frog and more! Throw the ring around the can, win a prize! Come enjoy a summer evening with fun for everyone.

Asbury United Methodist Church continues to offer free community suppers at 5:45 pm on Wednesday evenings. Check the website at [www.asburychurch.info](http://www.asburychurch.info) for the weekly menus.

## Greater Minneapolis Crisis Nursery Announces Sale of South Minneapolis Shelter

Greater Minneapolis Crisis Nursery's Board of Directors has decided that the most cost-effective way to serve more children and families is to consolidate services at its Golden Valley facility. The decision came after nearly a year of reflection and due diligence. The Nursery will now begin the process of selling its South Shelter building located at 4th ave. and 46th St..

The Nursery's board and staff are developing a long-term, sustainable plan for expanding services to children and families in Hennepin County. Sale of the south Minneapolis Shelter facility will allow the Nursery to become more fiscally solvent and better position it to sustain and expand its current services.

"The board conducted a realistic assessment of its program and costs in today's market. The Nursery has assets invested in property which our Board believes can be better used to leverage additional resources in a more effective way," according to Executive Director Mary Pat Lee. "This was a difficult decision," she said. "The board's willingness to enter into this evaluation process is a reflection of the members' serious commitment to their responsibility for oversight of the Nursery, its resources and its programs." Lee explained that assessments by two independent real estate brokers determined that the south Minneapolis building, which has been temporarily closed for nearly a year, was the more valuable of the two facilities and also the easiest to sell in this real estate market.

Ms. Lee added, "Greater Minneapolis Crisis Nursery is committed to using its resources to effectively and efficiently care for as many children and families as possible."

Over the last two years, the Nursery has experienced a dramatic increase in the number of crisis calls. Since opening its doors in 1983, the Nursery has pro-

vided more than 107,000 shelter nights to over 40,000 children. In addition, the Nursery has provided counseling and placement to more than 20,000 families.

During the next fiscal year, the Nursery will continue to shelter up to 18 children a night and provide up to 6,500 nights of care for the year.

Greater Minneapolis Crisis Nursery is the only residential crisis nursery in Minnesota and one of only 20 in the nation. Its mission is to work with parents in crisis and the community to strengthen families and prevent child abuse and neglect. It offers free, voluntary services to Hennepin County families in crisis with children newborn through age six. It includes a 24-hour crisis hotline, crisis counseling, 72-hour residential child care, medical care to children staying at the Nursery, referrals, home visits, parent education and parent support groups.

To contact the Nursery, please call Laurel Hardgrove, Development and Communications Director at **763-226-2074**.

## 48th and Chicago Festival-Sept.15!

In appreciation of our community's continued patronage and support, local businesses come together every fall to put on the 48th and Chicago Festival. We will have great food, sidewalk sales, family activities, music and lots of fun. Mark Saturday, September 15th from 10 am - 4 pm for this great neighborhood event. For more information please contact Dorothy Pitheon at Dick's Metro Carpet, 809 E. 48th St., **827-5646**.

## McRae Football Needs Your Help!

Would you like to be a concession volunteer to help the McRae football team raise money? If interested, please give us a call at **370-4909**.

## Moms Please Join Us!

First Evangelical Free Church, 5150 Chicago Ave., is hosting a Mothers of Preschoolers (MOPS) group. MOPS is for every mom from all backgrounds and with children birth through kindergarten. MOPS is about celebrating motherhood, meeting needs, and making connections through relationships, resources, creative activities and food. We want you to be able to be the best mom you can be.

Over the next months, speakers will address many topics relating to the theme for the year, "The Home Factor: Begin Here ...Go There." Some elements of this theme we hope to explore throughout the year are that our homes are where we bond, cocoon, build inwardly and where we refuel so that we can live fully in the world beyond. Children will be cared for in a parallel program called MOPPETS. MOPS will take place every 1st and 3rd Thursday evenings (7 - 9 pm) and 1st and 3rd Friday mornings (9:15 - 11:15 am) of each month from September through December and January through May; starting September 20, 2007. The cost is \$45 per semester. Deadline for registration is August 31st, 2007. Please check out [mops.firstfreechurch.org](http://mops.firstfreechurch.org) for more information or call the church office at 827-4705 for the FEFC MOPS Registrar's phone number.

Hope to see you there!

## Adrian's Tavern 14th Annual Ribfest

Join us on Saturday, August 4th for Adrian's Ribfest. Stop on by between 11 am and 5 pm and sample some of our tasty ribs, and join in the neighborhood fun of Ribfest. Participating chefs will be battling it out for the best ribs. Rib dinners will be \$10.00 and tap beers just \$2.50. So grab your neighbor and head on down to 48th and Chicago for some mouthwatering ribs served up at this neighborhood eatery!

## Mpls Public Library Board Meetings- Proposed Consolidation with Hennepin County Library System in 2008

All Minneapolis Public Library Board meetings scheduled through 2007 will include time for public discussion and questions related to the proposed consolidation with the Hennepin County Library system in 2008.

"Given the importance of libraries to our communities, we wanted to offer a regular opportunity for public discussion around the consolidation, and since our board meetings take place every other week, we thought they provided the perfect opportunity for this exchange," said Anita Duckor, president of the Minneapolis Public Library Board of Trustees.

Board meetings are generally held the first and third Wednesday of the month at 6 pm; upcoming meetings include:

- August 8, Walker Library, 2880 Hennepin Avenue
- August 22, Central Library, 300 Nicollet Mall
- September 19, Sumner Library, 611 Van White Memorial Blvd.
- October 3, Central Library, 300 Nicollet Mall
- October 17, Central Library, 300 Nicollet Mall
- November 7, Hosmer Library, 347 East 36th Street
- November 21, Central Library, 300 Nicollet Mall
- December 5, Central Library, 300 Nicollet Mall
- December 19, Central Library, 300 Nicollet Mall

Founded in 1885, the Minneapolis Public Library provides service through the downtown Central Library, community libraries, technology centers and online at [www.mplib.org](http://www.mplib.org). The library's mission is to link people in the city and beyond with the transforming power of knowledge.

## Take a Guided Tour of Eco-Yard Midtown

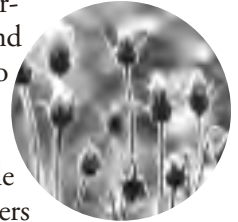

Hennepin County is hosting a free tour of the Eco-Yard Midtown demonstration site on Saturday, August 11 from 10 am to noon. Residents can learn about environmentally friendly, sustainable landscaping from a landscape restoration specialist.

The Eco-Yard Midtown demonstrates how to incorporate lower maintenance lawn, trees and shrubs, prairie, bird and butterfly gardens, a grass swale and rainwater garden into an urban landscape. These sustainable plantings require little water, and no fertilizers or pesticides that can be released into our environment as a pollutant.

The Eco-Yard Midtown is located at 2801 21st Ave. S. at the intersection of the Midtown Greenway and the Hiawatha Light Rail Line in Minneapolis.

The tour is free, however residents are asked to register online at:

[www.hennepin.us](http://www.hennepin.us), keyword "midtown tours" or by calling Hennepin County Environmental Services at 348-9266.

## Remember to Water Young Boulevard Trees

With this hot, dry summer ahead, don't forget to take care of the young boulevard trees by your house. According to Mpls Parks and Recreation, it is critical to water young trees every 7-10 days. Bring a hose to the tree and run the water at a slow trickle for two hours. Mulching is also important to keep soil cool and prevent drying. Run mulch as wide as the tree crown 3-5 inches deep. Always keep mulch 2-3 inches from the trunk to allow the trunk to dry completely between waterings.

## Finding Quality Service Just Got Easier!

As a homeowner, have you ever needed to hire a plumber, painter, handyman, or wanted to hire a good contractor for a

remodeling project, and had no idea who to call? Unless you already know a particular service professional, or a friend or neighbor does, finding a reliable contractor to help can be a challenge. The Service Guide makes it easy. A local company, managed by homeowners like you, The Service Guide provides Twin Cities consumers with a time-saving, free website to find and hire good, reliable, local home service companies.

The Service Guide is a growing resource of Twin Cities contractors and home service companies that are pre-qualified for quality service and positive track records. Every business is required to meet and maintain thorough pre-screening criteria to be listed on this service. Consumers that use The Service Guide are homeowners like you – looking for trustworthy companies that will provide them with a positive service experience and a fair value for their money. The Service Guide is fast and easy to use. This resource provides you with hundreds of listings and detailed profiles of experienced local home service companies, plus a unique Discount Savings Card that you can use all year to save money on every project or repair you need done.

Homeowners can access this free service online at:

[www.theserviceguide.com](http://www.theserviceguide.com). For those who don't have access to the Internet, you can call The Service Guide at **763-745-7490** with your questions, or for recommendations of qualified local service companies in your area.

## Beware the Beetle

by Elizabeth Storey

Four summers ago in southeastern Michigan, a non-native Asian beetle was found feeding on ash (*Fraxinus*) trees. It was identified as the wood-boring emerald ash borer (*Agrilus planipennis* Fairmaire). While adult beetles feed on the leaves of ash trees and cause little damage, the larvae chew their way through the cambium layer between the bark and the wood creating galleries that interrupt the tree's ability to transport water and nutrients. The tree eventually becomes girdled and dies.

### Alien invasion

Emerald ash borer (EAB) probably arrived in the United States on wood packing material carried in cargo ships or airplanes from Asia. It is believed that EAB has been present in Michigan for at least ten years. EAB is also now established in Ohio, Maryland, northern Indiana, and northern Illinois. Since being discovered EAB has destroyed more than 20 million ash trees at a cost of tens of millions of dollars to cities, property owners and other industries. Most of the devastation has occurred in Michigan.

The most effective defense is to identify and destroy infestations before they spread. EAB most likely enters new territory via firewood brought from infested areas, from infested nursery stock, or in vehicles that have carried infested firewood. Whatever the source, EAB threatens to be devastating the city's urban forest. "It's pretty much a death sentence for Ash trees. Right now there's no cure for it," said Ralph Sievert, Director of Forestry for the Minneapolis Park and Recreation Board.

Planted because of their tolerance to urban environments, ash trees represent 19% of Minneapolis' urban street trees. In preparation for a potential invasion, the MPRB no longer plants ash trees.

### Signs of trouble

As its name suggests, EAB is an iridescent emerald green color, about a half-inch in length. Jagged holes left by woodpeckers feeding on larvae may be

the first indication that a tree is infected. Yellowing leaves or multiple sprouts at the base could also be signs of infection. When the mature beetle emerges from the bark after one year of infestation, they leave D-shaped holes about 1/8" in height. To prevent the spread of the beetle, use local firewood. If you suspect Emerald Ash Borer, contact the Minnesota Department of Agriculture at **651-201-6684**

Elizabeth Storey is a member of the Minneapolis Tree Advisory Commission.

## Farewell to FRNNG Staff

Kate Ellis, who served as staff for the Field Regina Northrop Neighborhood Group, has resigned. She graduated in June from the University of Minnesota with a Master's Degree and is planning on getting married in September. We would like to thank Kate for the excellent job she has done and wish her all the best in the future.

## See What All the Excitement's About

Weight Watchers meets on Tuesdays, 5:30-6 pm at Holy Cross Lutheran Church, 1720 E. Minnehaha Pkwy, Mpls.

Call **1-800-379-5757** or visit [www.WeightWatchers.com](http://www.WeightWatchers.com) for more info.

## Lost Elm Trees Will Not be Automatically Replaced

Elms that have been cut down will only be replaced on request. Call Forestry and Trees at **370-4900** and get on the waiting list. Let's keep our boulevards looking great!

# McRae Park Schedule
